

Technical drawing of a mechanical part, showing a side view and a top view. The side view (top) shows a profile with a total height of 198. The top view (bottom) shows a rectangular base with dimensions 140, 150, 166, and 181.50. A label '基座基准面' (Base Reference Plane) points to the left edge of the base. The drawing includes various features such as holes, slots, and a small rectangular protrusion on the right side.

Technical drawing of a stepped cylindrical part. The part has a total length of 8.50 and a total outer diameter of 5.30. The left end has a diameter of 5. The right end has a diameter of 2. The part is shown in a cross-sectional view with hatching on the left side.

Technical drawing of a linear motion system, showing three views: top view, side view, and front view.
